Objet : International Confederation

Dear colleagues,

Following previous mails in may and september, as a provisory secretary designated at the end of the congress in Barcelona, in order to try setting up an international confederation, I have to inform you and to submit you a practical proposition,

Every associations included in the following list are unanimous to express an agreement in principe; but in the same time every one write they have not at all the corresponding financial resources. It is obvious that without subsidies no one can properly contribute to the expenses of the real international functioning. On the other hand nor CE nor States nor private foundations can give subsidies to a non-existent association.

These associations are :

AIB-PRIO JUVENTUS (Espagne)
UNADFI (France)
CCMM (Centre Contre les Manipulations Mentales) (France)
FRI (FÖRENINGEN FÖR INDIVIDEN) (Sueden)
FAIR (Family Action Information and Rescue)
BCM Cults (Cults Information Center) (U.K.)
GESELLSCHAFT GEGEN SEKTEN (Austria)
DIALOG CENTRET (D.K.)
~~PRE-NORGE~~ "LIV I FRIHET"
ADIF (Association de Défense de l'Individu et de la Famille) (Belgium)
ODIF (Circle de Défense de l'Individu et de la Famille) (Luxembourg)
Article 4 (Deutschland)
SACK (Schweizerische Arbeitsgemeinschaft Gegen Destructive Kulte) (CH)
BFSG (British Family Support group) (U.K.) (not yet officialy constituted).

In spite of our present general lack of ressources, a first step toward such an international confederation is necessary.
